

Availability as at 20th February 2010

January just really didn't happen – frozen pots and frozen plants. Thankfully, the blanket of snow came before the cold spell so the plants outside were protected from the worst.

The sun actually shone on Saturday and it almost felt like Spring!
So when better to send out our first full Availability List.

And it's 10% off ALL Specimen Plants on all orders placed before
Friday, 12th March 2010.
